SIXTEEN PAGES TEN CENTS

VOL. 66 CANYON, TEXAS THURSDAY, DECEMBER 21, 1961 NO. 37

SERGEANT KARL WILLIAMS is shown here with his two sons looking over a draft notice from his hometown draft board at Hattiesburg, Miss. With him are his two sons, Robert and Duayne. The draft notice instructed him to report immediately. Sergeant Williams has been in the service 16 years.

Combat Vet Gets Induction Notice

Master Sergeant Karl Williams was surprised to receive a letter from home this week. The decorated veteran of 16 years in the US Infantry was notified to report immediately for induction into the Armed Forces. The message came from Draft Board No. 19, Hattiesburg, Miss.

Karl is an instructor with the Reserve Officers Training Corps at West Texas State College.

He has been in the Infantry since 1945. He has been to Europe twice -- stationed in Austria, Germany and France --and was in a combat infantry outfit during the Korean conflict.

He was in the amphibious landing at Inchon in Korea and marched to the Yalu. "I was in on the 'strategic withdrawal' from Hungnam," he reported.

His outfit was evacuated by SEA to Pusan and then returned overland to the front. He was at Heartbreak Ridge when he was notified that he was about to come home.

He has been here at Canyon for the past 5 1/2 years. He and Mrs. Williams have two sons, Robert, 9, and Duayne, 8, and a daughter, Teri Jane, 12.

"I don't know how it happened but it says I'm supposed to report 'on or before immediately,'" Williams declared with a laugh as he discussed the draft notice.

Dr. Urban Is Named To Office

Dr. Sam Urban of the West Texas State College faculty was named to an office last Saturday by the Southwestern Section of the American Association of Physics Teachers.

He was appointed representative to the National American Association of Physics Teachers.

Urban was elected as the group met at Amarillo College.

Canyon News To Publish Early Edition

The Canyon News will put out its edition for next week early.

The edition will go to press late Friday in order to allow members of the staff to spend some time with their families during the holidays.

Offices of The Canyon News will not be open Tuesday and Wednesday of next week.

Four WT Students Charged In Thefts

Two West Texas State College students face felony theft charges and two others have entered pleas of guilty to charges of misdemeanor theft as an aftermath of a shoplifting spree here and in Amarillo.

Charged with felony theft in Potter County are Harvey R. Pate, 22 years old, Dalhart, and Don Allen Pierce, 21, Pampa.

They are charged in connection with the theft of a hi-fi set from Thrift City in Amarillo, according to a spokesman for the Potter County District Attorney.

Charles Ronald Schaff, 20, and Richard Boyd Kirk, 20, entered pleas of guilty to misdemeanor theft charges in Potter County Court, according to the Potter county attorney's office.

Each was fined $50 and court costs and assessed a 10-day jail sentence. The two boys are now in Potter County jail.

The district attorney's office said Pate and Pierce are free on bonds of $1,000 each.

Deputy Sheriff Calvin Costley said the boys were arrested Friday. Pate was the first to be questioned. He and Pierce were dormitory roommates.

Pierce was then taken into custody and the boys were questioned in the office of Troy Jordan, college security officer. Statements made by the two young men led to the arrest of the other two boys.

Almost $1,000 worth of merchandise was involved.

Costley said a 30-30 rifle, a lamp and a coffee maker were taken from Thompsons of Canyon about Nov. 30. A transistor radio was taken from Dodson's Radio & TV and a transistor radio and record player combination was taken from HR's Greenhouse.

Costley said the shoplifting had been going on for about two weeks. Most of the merchandise taken was recovered. Some of it had been sold. It, too, was recovered. The deputy said merchandise was hidden at various parts of the campus and some even was hidden at the football stadium.

Costley said only Pate and Pierce are believed to be implicated here. District Attorney A.W. Lair said no charges have been filed in Randall County pending outcome of cases in Potter County.

Investigating officers in the case include Costley, Jordan, Police Chief L.D. Caldwell and Texas Ranger Butch Albers.

Winners Named In Christmas Drawing Here

Winners have been named in the second Christmas drawing staged here last Saturday.

Winner of the first prize of $100 was J.D. Ruthart. Dean Cook won $50; Mrs. Carlton Burt $15; Mrs. Tommy Tucker $25; and Mrs. B.J. Ormsby $10.

Final drawing will be held next Saturday afternoon on the court house lawn.

Time Remains For Buffalo Lake Bid

Discussions with prospective bidders for the Buffalo Lake concession contract have disclosed several misunderstandings concerning the bidding and the future concession operation.

The minimum requirements listed in the bid invitation are minimum requirements only. Bidders are urged to visit the lake, see the area and buildings available for their use, and to make additional proposals for development that would be sound business ventures related to the concession operation.

The Fish and Wildlife Service has several concession operations on the larger lakes in the west. Typical concession developments are motels, trailer parks, camp grounds, fishing piers, and buildings to provide dry storage for boats and trailers. There may be other developments or services not mentioned that would be of value to visitors who use Buffalo Lake.

Many persons feel that the future concessionaire will be required to patrol the lake. The responsibility will be entirely the operation of the concession unless the final contract specifically calls for some additional operation; for example, tow services will require towing vehicles from sections of the lake shore area. Patrol of the lake, clean up of the trash, other such functions are the responsibility of government personnel.

There is still time to bid. Bid invitations may be obtained from refuge headquarters at Buffalo Lake or write: Robert L. Darnell, Box 228, Umbarger, Texas.

A draft of the concession contract which includes all of the standard contract provisions will be available at refuge headquarters for those who are interested in reading it. The variable provisions of the contract will be those special minimum items included in the bid invitation and the accepted proposals made by the successful bidder.

New Chamber Head Is C. P. Vaughan

WORKMEN from an Amarillo firm are shown here hoisting a traffic light in place at Fifth and Twenty-Third Street. Placing the light at the intersection is the result of much effort on the part of the Chamber of Commerce and city officials. Until now the intersection has been a traffic hazard.

Carroll Vaughan has been named president of the Canyon Chamber of Commerce.

Vaughan, an insurance man, succeeds Joe Gidden in that post. Gidden is local manager for Southwestern Public Service Company.

Other officers elected as the board met Monday night include H.R. King, vice-president; and T.A. Black, secretary.

Four newly-elected board members attended the meeting. They are Huelyn Laycock, R.B. Gist, Jr., King and Troy Martin.

Present for the meeting were Dr. James P. Cornette, president of West Texas State College, and Dean Walter Juniper. Also at the meeting was Buff Morris of the Opportunity Plan.

They discussed with the board methods which may be used to strengthen summer school at West Texas State.

Dr. Cornette expressed a desire to see summer enrollment increase. He said lack of course offering has not cut down on attendance but rather lack of attendance has cut down on course offerings.

He explained that fewer teachers are taking courses during summer school now because salary inducements have encouraged them to complete work for masters degrees. Many of them having completed this work do not feel the need for further courses during summer months.

Dean Juniper announced that some $20,000 in increased funds is available for summer school in 1962.

This will permit a 29 percent increase during the second summer semester.

This will be done if students are available to fill the course offerings, he said. Dean Juniper explained that a minimum of 10 students is required for a course for students of classification freshman through senior. A minimum of five students are required for a course in graduate work.

"Does the administration desire a larger program?" inquired Pete Cowart.

"Yes sir," replied Dr. Cornette.

The group discussed student employment and means of advertising the college.

Also discussed were plans for the annual Chamber of Commerce banquet to be held the evening of January 4. Principal speaker for the occasion will be Representative Walter Rogers of Pampa.

Chamber Manager Roland Black announced that the Chamber budget for 1962 is approaching the $10,000 mark. Many cards are still out and many prospective members remain to be solicited, he said.

The Chamber's goal is $15,000.

The board voted to participate in the Old Settlers Roundup in connection with the Randall County Sheriff's Posse Rodeo which will be held in August.

Sitting as a city zoning board, the group then conditionally accepted a plat for Golden Hills Addition. The addition is proposed by Ray Downey a developer from Amarillo.

Its western extremity is about three-fourths of a mile east of Canyon city limits. It is bounded on the east by the booster station road and its northern boundary is about a quarter of a mile south of Palo Duro Highway.

The development is made up of about 80 acres. The plat calls for some 10 acres to be dedicated as a city park.

The zoning board verbally accepted the plat provided that the park area be dedicated immediately for that purpose.

The Chamber board heard a report from Cowart on a recent meeting on advertising by the state of Texas for tourist trade.

Hanson To Be Arraigned Here On Murder Charge

John Wesley Hanson was scheduled to be arraigned here Wednesday on a charge of murder with malice in connection with the two-year-old slaying of Sam Lantrip.

Lantrip was killed Sept. 29, 1958.

Hanson was indicted by a Randall County grand jury in September.

He has been serving a sentence of from one to 25 years in New Mexico state prison for assault with intent to murder. Criminal District Attorney A.W. Lair said the accused man has been up for consideration for parole in July of next year.

Lair said Hanson has signed a statement in which he admitted killing Lantrip "because he squealed."

Lantrip is alleged to have been slain in Potter County 1 1/2 miles north of Bushland. The body was found in the trunk of a car about 2 miles southwest of Palo Duro Turkey Farm.

Lair says Lantrip may have been alive when the car was parked in Randall County. Pictures taken when the body was discovered show the dead man's hand with a grip on the locking device of the car trunk in which he was trapped.

Lair said Lantrip was shot five times. After Hanson's arrest by New Mexico authorities, he led officers to the scene of the shooting.

Sheriff Slim Johnston was to arrive in Canyon with the prisoner Tuesday night.

Lair said no action has been brought against Hanson in Potter County as a result of the slaying.

Legal Action For Personal Taxes Sought

Commissioners court Monday voted to take legal action to collect some $2,158.36 in delinquent personal taxes.

Authorities say such taxes range in amounts from $25 to $336.

Tax collector-assessor Bill Money said he submitted some 25 delinquent tax lots to Attorney A.W. Lair, who acts for Randall County. He said these involve lots in the Palisades.

Lair Tuesday said school tax officials are preparing their portion of the proceedings. He said that as soon as this is done the lots will be advertised for sale and promptly be put on the auction block for back taxes.

Russell Megert appeared before the court Monday with final plans for the south Amarillo Randall County court house annex.

Bids for construction of the annex and for a new car for the sheriff's department will be accepted Jan. 8.

Commissioners court will meet again Dec. 26. Court house offices will close Friday noon and will be open the day after Christmas.

Typewriter is Lance For Knight Anderson

Tom Anderson of the incisive pen was a house guest in the home of J. Evetts Haley, Sr., the latter part of last week.

Anderson spoke before a crowd of some 1,800 persons who stopped his speech with applause some 25 times Thursday night in Amarillo Municipal Auditorium.

Anderson, editor of Farm & Ranch Magazine, says he had to buy a magazine before he could write editorials. He probably is one of the most outspoken columnists on the American scene today. He is a stalwart conservative.

Anderson, who is the master of a well-turned phrase, left a $10,000 a year job in securities to take a $250 a month job on a farm journal just before World War II. He went to the magazine as an advertising man.

"I wanted to learn the business," Anderson declared.

Tom Anderson is 51 years old and is a native of Nashville. His dad was track coach at Vanderbilt for 43 years. Tom is himself a graduate of Vandy. He also went to Baylor Military School.

"My ambition was to have a country newspaper," Anderson declared. "Even in college I always wanted to crusade."

"I always opposed big government," Tom went on.

Anderson said a teacher of economics at Vanderbilt, Dr. Gus Dyer, did much to shape his early thinking about government. Socialism was just becoming rampant, according to Anderson, and Dyer was a free enterpriser.

TOM ANDERSON (left) explains his position while friend and host, J. Evetts Haley, arranges plane transportation by telephone. Anderson was a guest in the Haley home following a speaking engagement in Amarillo. Leaving here he went to Tyler and then to Arizona.

"He told us about the New Deal and to what it would lead," Anderson related. "He was 100 percent correct. The things he predicted are all coming true."

Anderson was graduated in 1934 and began selling securities. He was a pretty good securities man. Even in those years he was pulling down $10-000 a year.

In 1936 Tom married his college sweetheart, Carolyn. "I picked her up in the library," Tom says with a smile. "She denies it but I did."

Mrs. Anderson was a Vandy beauty queen. In fact, she was Miss Vanderbilt of 1934. She majored in sociology.

The Andersons have a daughter who was graduated from Ole Miss and now works in a Nash-

FROM THE CANYON RIM

We enjoyed our association last week end with Tom Anderson and Frank McGehee. Both of them are straight talkers. Both are forceful. Both are men of purpose.

Tom Anderson points out that Sweden has the lowest morals and the highest suicide rate in the so called civilized world today. Yet, Sweden has reached a "sublime" state of socialism.

Responsibility is lifted from the shoulders of the individual and placed upon the state. The individual loses a part of his reason for being. He commits suicide.

Anderson, who has visited in Sweden, says church membership is like belonging to a trade union. Church dues are assessed in much the same manner as union dues are assessed in this country.

"Churches are considered good for christenings and funerals," Anderson declares.

***

Frank McGehee is the young man from Dallas who started the National Indignation Council. Frank says it was spontaneous. He became disgusted over the fact that Communist Yugoslavian jet pilots are being trained in this country.

Frank, a part owner of a modest garage business, rented a hall for $300 and called the newspapers to announce a meeting.

Frank says he expected about 30 and 800 showed up.

As the meeting went on one man came to the front and turned his pockets wrong side out. Before long cash began to fly as folks began expressing their indignation in a material form. When things cleared up some $1500 had been anted up for the movement.

Primary motive of the National Indignation Council is to express indignation over such things as training communist pilots here and otherwise giving aid and comfort to the reds.

***

Well, that sanctimonious old hypocrite, Pandit Nehru has finally wrecked the United Nations.

We hope the people responsible for pouring aid into India over the past 15 years feel well repaid. Nehru showed his thanks by asking Khrushchev if it was all right to move on Portugal.

This at long last should teach us a lesson. We must prepare to defend these shores.

***

Nehru, who so long has warned the US about world opinion, didn't give two whoops in Hades for world opinion when the time came for him to move to his advantage.

Let us profit by his example.

Cuba's atomic cannon is thrust in our belly in the Carribean. Soon it may be reinforced with a red knife from the Dominican Republic.

***

By the sword are nations born and by the sword must they die if they ignore the dust of predecessors who flourished for a space and then lost the stomach to keep their borders safe. A good thing to remember is that ultimate world opinion is molded by history and histories are written by WINNERS rather than losers.

Hilltop Views

BY DR. J. A. HILL

It must have been Christmas 1882 when father came back from town to his tenant farm home in the rolling black land prairies in Bell County, Texas, with a barrel of red apples. Yes, a whole barrel, red as apples can get, too. I don't think they were the brand we know to-day as "Delicious", but no more delicious fruit has yet come out of the Garden of Eden (Pardon my use of the first personal pronoun. I never did like that style of composition, but I guess if such professionals as Squint Phillips, the popular Polk Street Professor, and Tommy Thompson, winner of national awards, can get away with it five times a week I ought to be excused once a week).

But back to Christmas 1882 and those red apples. I hadn't known before that there were that many apples in the world. Of course, my world was then hardly more than 10 miles in diameter; and some of that empire was sort of foreign country to me. True, I had seen wagon loads of bois d'arc apples under the hedge that abutted our place, but I hated them ever since I stuck a bois d'arc thorn clear up to the twig in my rusty, barefoot heel. (Mother cured my wound with fat meat and turpentine).

However, I had no prejudice against the apples in the barrel--a fact which I demonstrated with regularity as long as the barrel was not completely empty.

In addition to the rapidity with which those pomes disappeared (there were eight of us in the family at that time) I remember with distinctness one other circumstance of lasting significance. Mother managed to salvage enough of the fruit to make an apple cobbler, and my appetite for that kind of table delectables has never subsided--that is, permanently. Apple pie, along with a half-dozen or more other kinds of pie, is my favorite--that is, if it is hot, and if it is not hot I like it better cold.

But apples had one competitor that Christmas. Father really went all out (at least for a tenant farmer of 75 years ago), when he supplemented red apples with a whole "Passle" of striped peppermint and lemon stick candy. You can yet buy sorry imitations of such candy, and under the influence of modern commercial advertising these merchants will tell you that it is the same kind of product that we "et" in the 19th century. I wouldn't call 'em prevaricators, but 'taint so. Today's stick candy is an aerated composition whose contents are unknown to the laity. There is just enough sugar in it to make it a fairly good decoy. Of course, the red stripes, too, are decoy--ing in effect.

There wasn't any Santa Claus, by name, that year either. I guess that was before he had found his way this far south; or maybe it was a bad year for reindeer. And we hadn't begun hanging up our stockings Christmas Eve either. I can think of several reasons for that. One was that boys didn't wear stockings in those days. It would have been "sissy". Another was that whatever stockings the boys had, had holes big enough for oranges to fall through, if we had had any oranges.

I do not recall that Christmas had any other meaning for me that year. No neighbors or kin came to see us and we went nowhere. The large family just stayed home, attended their usual duties, perhaps ate home-grown spare ribs, back-bone, sausage, souse, cornbread, sorghum, sweet potatoes, butter and milk, and gathered at night around the large fireplace in close family association for parental discourse and youthful chatter.

As I now reflect upon those far-away frontier days I cannot regret their primitiveness. In the midst of poverty we were rich. Hard work, self-denial, isolation, few clothes, the absence of books, newspapers, and magazines, to say nothing of telephones, automobiles, radio, television, etc., contributed in no unimportant way to the development of a type of character that made every child in that home (I say it humbly but also with pride) a well-respected, intelligent, constructive Christian citizen. I say it sincerely--that my pioneer home of 60 to 80 years ago constituted the best educational institution I ever attended.

It was in this situation I learned most about the meaning of Christmas without any formal attempt to explain it. I did learn, through precept and example that "God so loved the world that he gave his only begotten son that whosoever believeth in Him should not perish, but have everlasting life." I did learn, as a result of the instruction and example of that home, that Jesus Christ embodied in his life and teachings the great spiritual truths that justify the celebration of the birthday of the babe that was born in a manger at Bethlehem 2,000 years ago. As a result of life in that primitive, frontier, Christian home I have learned that the proper celebration of Christmas is something far more profitable and happy than eating apples and striped-stick candy. I have learned through the years that the proper celebration of Christmas is a soul-satisfying spiritual exercise that gives joy and dignity to the individual and, when practiced consistently by a majority of a free people gives greater national security than all the implements of war that all the scientists and dictators combined can contrive. Finally, I have learned from the study of history that the great political powers of the past which now sleep in the cemetery of nations first rotted within, and became only empty symbols of their former greatness before they fell under the hammerings of ravenous invaders. The Christmas season is a good time for each of us to ask himself if he is riding in America's hearse.

ville bank.

Even as Tom sold securities his mind was on printer's ink. He dreamed of buying a weekly newspaper.

After eight years in securities he decided life was too short to go on doing something he did not enjoy. He chucked his job with the securities firm and went to work on Southern Agriculture (now Farm & Ranch).

This was in 1942 and Tom went to selling advertising for $250 a month.

"I had to sell my country club membership and my car and cut down on my standard of living," Tom explained. "In many ways that is harder than just starting at the bottom. A lot of my friends asked 'What has happened to old Tom Anderson? Has he gone crazy?'"

Tom went into the service in 1943 and served as a lieutenant in the US Navy mostly in the European Theatre of operations.

Upon being discharged in 1946, he returned to work for Southern Farmer. Through a merger, Southern Farmer became Farm & Ranch in 1949.

In 1947, Tom bought Arkansas Farmer. Until that time the Andersons lived on a farm outside Nashville. "I put the farm into the Arkansas Farmer," Tom related.

"It was losing about $1000 a month and I had about $5,000 of operating capital," he continued. "In five months that was gone and the banks had advised me to throw in the towel."

Then things took a turn for the better. Tom says he spent some time worrying before the tide turned.

"I would lie awake at night in a cold sweat," he said. "Then it turned around and started making money."

He paid off the bank in five years and started The Mississippi Farmer in 1953.

"Around the end of 1953 I found out that Farm & Ranch could be bought," Anderson said. "We put together a group and purchased Farm & Ranch. They let me have a total of 50 percent."

In 1956 Anderson established The Georgia Farmer. The Alabama Farmer was established in 1961. The Poultry News also belongs to the Anderson family of publications.

It was about five years ago that Tom Anderson started making speeches. It would be hard for those who have heard him to believe, but Tom vows that he was frightened to distraction when he first started public speaking.

"I took tranquilizers to steady me," he reminisced. "My knees shook and I had to force myself."

If Tom Anderson was afraid when he first began speaking, he may take comfort in knowing that those who oppose him in high places across the land also quiver when he gets up to speak.

Tom Anderson is a peer of Winston Churchill in every way when it comes to incisive speech.

Of Eisenhower he said:

"He always stood right in the middle of the fairway."

This came in the Amarillo speech after Anderson had expressed contempt for middle of the roaders.

Of the general situation he said:

"Our greatest threat is not fall out. It is sell out."

Anderson's column in Farm & Ranch is known as Straight Talk. He is not a man of great physical stature but his pen is a mighty lance in his knight errantry in the service of free enterprise and freedom.

With it he jousts daily with the force of big government and those whom he thinks are hastening the downfall of individual freedom.

Anderson has made 67 speeches this year -- 20 in the past two months. Mrs. Anderson accompanies him on his jaunts.

He spoke in Tyler Saturday night after his visit in Canyon Thursday and Friday and was in Tucson, Arizona Sunday.

Evetts Haley Is Honored

J. Evetts Haley, Sr., recently was guest of honor at a luncheon at the Midland Country Club along with Myers Lowman of Cincinnati, Ohio, and Mrs. J.H. Alexander of Granada, Miss.

Host and hostess for the occasion were Mr. and Mrs. J.C. Barnes, Jr., of Midland.

Haley is state chairman of Texans for America, Lowman is executive secretary of the Circuit Riders and Mrs. Alexander is national defense chairman of the Mississippi Daughters of the American Revolution.

Following the luncheon, Lowman, Haley and Mrs. Alexander participated in a panel discussion on subversion in textbooks at a meeting in the First National Room of the First National Bank.

That night Lowman, Haley and Mrs. Alexander spoke at a public meeting sponsored by Texans for America. The meeting was attended by some 125 persons.

Mr. and Mrs. Glenn Gardner and Richard will spend Christmas Day in Vigo Park visiting with relatives.

Carruth Services In Vernon

Otho Thomas Carruth, Amarillo, father of Dr. Paige Carruth and Mrs. Edwin Kuehn of Canyon, died Friday of last week in St. Anthony's Hospital in Amarillo.

He was 63 years old at the time of his death. He was a retired farmer. He had been in ill health a number of years.

Mr. Carruth was born May 24, 1898 in Vernon. He lived in Vernon until 1946 and operated a cleaning establishment there before moving to Canyon.

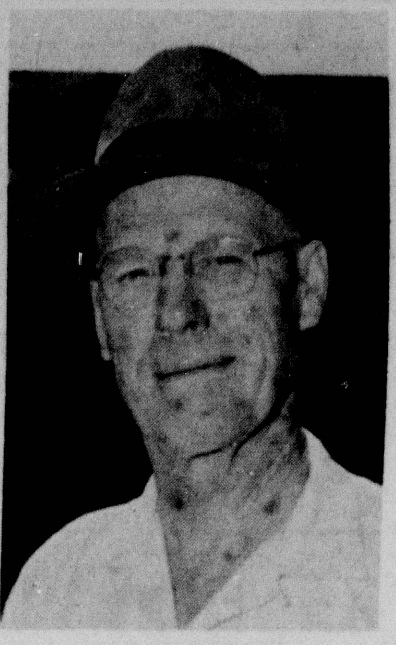
He lived in Canyon from 1946 until 1950. He was a member of Amarillo Central Church of Christ.

Funeral services for Mr. Carruth were held Sunday afternoon in Vernon Church of Christ with L.R. Mickey, minister, officiating. Burial was in Vernon Cemetery under direction of LaGrone Funeral Home of Canyon.

Pallbearers were Floyd Grisham, Earl Byars and Alvis White of Vernon and Sam Tooley, Pat Tooley and Nelson Johnston, all of Odell.

Survivors, other than Mrs. Kuehn and Dr. Carruth, include the wife; two other daughters, Mrs. Marilyn Baker of Midland and Judith Ann Carruth of Amarillo; two brothers, Ray Carruth of Vernon and Dallas Carruth of Austin; four sisters, Mrs. Ethel Byrd of Frederick, Okla., Mrs. Paul Swan of Tipton, Okla., and Mrs. Tom Campbell and Mrs. Fred Dunn, both of Chillicothe; and six grandchildren.

A son, Joe Keith, preceded him in death in 1951.



ED WILLIAMS

Ed Williams Rites Held

Funeral services for Ed Williams were held last Friday afternoon in Canyon First Baptist Church.

Officiating was Rev. J. W. Comstock of Wichita, Kan.

Pallbearers were Cristler Crain, Cecil Terrill, Homer Duncan, Sam Mitchell, R. H. Eldridge and A. K. Sears. Burial was in Dreamland Cemetery under direction of LaGrone Funeral Home of Canyon.

Mr. Williams died Tuesday afternoon of last week in an Amarillo hospital. He was 62 years old at the time of his death.

L. Borquez Rites Held Saturday

Louis Borquez died Thursday of last week at his home at Third Avenue and Seventh Street in Canyon.

Mr. Borquez had lived in Canyon since 1928, having moved here from Tucumcari, N.M. He was a ranch hand in the area. He was 82 years old at the time of his death.

Mr. Borquez was born Dec. 12, 1879 in New Mexico. He was a member of St. Ann's Catholic Church in Canyon.

Survivors include the wife; three daughters, Mrs. Josephine Baca and Mrs. Virginia Martinez, both of Canyon, and Mrs. Margaret Quentina of Tucumcari, N.M.; a brother, Amado Borquez of Denver, Colo.; three sisters, Clementa Marquez, Metara Marquez and Ramona Gonzales, all of Denver; 22 grandchildren and four great grandchildren.

B Team Loses To Nazareth

Canyon's "B" team lost to Nazareth's "A" team 48-36 Monday night in a contest played in Nazareth.

Score at halftime was tied 20-20 and the Canyon boys couldn't hit the basket the last half. During the third quarter the CHS "B" team scored four points while Nazareth scored 13 points. In the fourth quarter the Canyon boys scored 12 points and Nazareth kept their lead by scoring 13 points.

Bobby Evans was top scorer for the "B" team with nine points.

The Canyon "B" team made only 19% of their shots during the contest.

Hereford Beats 9th Graders

Canyon's freshman basketball team lost to the Hereford quintet Monday night in Hereford 55-44.

The CHS freshman team stayed close to Hereford until the third quarter, when the junior high Whitefaces scored 25 points to Canyon's 19 points. At the end of the first quarter the score was 11-7 in favor of the Hereford team and at halftime Canyon had whittled the score down to 21-19.

At the end of the third period, Hereford widened their lead to 36-28.

George Cox was top scorer for Canyon with seven field goals and two free shots for a total of 16 points. Alex deSchweinitz was close behind Cox in the scoring department with 13 points. He scored on six field goals and one charity toss.

Girls Lose ToNazareth

Canyon's girls varsity lost to the Nazareth team Monday night in a game played at Nazareth by the tune of 41-36. The Canyon lassies earlier beat this team here 36-29.

Nazareth led at the end of the first quarter by one point, 10-9. At the end of the half, Nazareth added another point to their lead, 18-16. However, the Canyon team got hot the third period and tied the score 26-26 before Nazareth went ahead to win. The Canyon girls missed four lay-ups during the last period.

Bonnie Whittington led the Canyon team with 19 points.

Canyon Sportsmen Feast At Supper of Wild Game

Canyon sportsmen feasted Wednesday night of last week at Canyon Sports & Marine on wild game especially provided and cooked for the occasion.

Host was Wit Witkowski, owner of the sporting goods store.

Prepared for the feed was 7 pounds of quail; 42 pounds of pheasant, 38 pounds of deer; 15 pounds of geese, 14 pounds of duck; 3 pounds of moose; and 5 pounds of elk.

Some of the deer came from Texas and some from Colorado. Pheasants came from Nebraska and the Dakotas. The ducks were mallard and teal. About 60 persons attended the feed.

The meat was prepared by Witkowski. It was cooked in the ovens at Weaver's Dine-A-Teria.

Hunting slides were furnished by Worth Jennings. Dick Dawdy and Witkowski furnished a movie on pheasant hunting. Allen and Leonard Winters showed deer hunting slides.

Special guests were Weldon Fromm, Stanley McDonnaugh and Jack Burrus, all from the Game and Fish Commission.

Meat was furnished by Witkowski, Dawdy, Bill Downing, Neil Downing, Hosea Foster, M.E. Rhoads, Doyle Thomas, Paige Carruth, Fritz Bednorz, Leonard and Allen Winters, Ray Tinsley, John Williams, Recil Johnson, Farmer Brown and Clay Cooper.

Wedding Vows Are Exchanged by Couple With Double Ring Ceremony

MRS. HENRY CECIL HARDAWAY

Miss Rozelle Marcy became the bride of Henry Cecil Hardaway in a double ring ceremony read at 7 p.m., Monday, December 18, in the First Methodist Church in Canyon.

Parents of the bride are Mr. and Mrs. H. A. Marcy of 721 West 3rd St., Spur, and the bridegroom is the son of the Rev. and Mrs. Cecil C. Hardaway of 4007 East 16th St., Amarillo.

Officiating at the ceremony was the father of the bridegroom, the Reverend Hardaway, pastor of the Wesley Methodist Church in Amarillo.

Decorations included a center piece of pink and white carnations, two double candlelabras flanked by two large white baskets of white gladioli, tied with pink satin ribbons.

Miss Dianne Moore of Clarendon, organist, played the couple's favorite wedding selections as pre-nuptial music. "Clair de Lune" was played as the mothers were seated and candles were lighted. Traditional wedding marches were played.

Miss Lanelle Marcy, sister of the bride, sang, "Wedding Prayer" and "Wedding Benediction." The bridegroom sang, "Walk Hand in Hand," to the bride as she and her father entered the sanctuary.

Escorted to the altar and given in marriage by her father, the bride wore a floor length gown of blush pink bridal satin with a fitted bodice, appliqued with Chantilly lace, and embroidered with seed pearls. The long sleeves tapered to petal points over the bride's hands. A bow at center back highlighted the delicately draped skirt featuring a cascade of Chantilly lace appliques, traced with seed pearls.

The bride wore a two-tiered finger tip veil of French silk imported illusion caught in a satin crown of lace encrusted with seed pearls. The dress and tiara were designed and made by the bride and her mother.

She carried an arrangement of pink and white roses on a traditional white Zeta Tau Alpha Bible. Streamers of blush pink satin tied with love knots completed the bridal bouquet. An heirloom, emerald and pearl necklace, belonging to Mrs. Jim Barron of Spur, was worn by the bride.

Maid of honor was Miss Lanelle Marcy. She wore a street length dress of pink taffeta fashioned with a scoop neckline in front, and dipped to a V in back, and three-quarter length sleeves.

Mrs. Royce Hardaway of Claude, was brides matron, and Miss Johnnie Ann Blackley of Spur, was bridesmaid. They were dressed identically to the maid of honor. All bride's attendants wore white fur headbands and carried white fur muffs adorned with pink carnations and Christmas decor.

Candle lighters were Misses Janice and Deborah Hardaway, sisters of the bridegroom. They wore pink dresses and white fur head bands.

Royce Hardaway of Claude, served his brother as best man, and groomsmen were Jerry Bell of Vernon, and Harold Clarke of Dumas.

Ushers were Cecil Hamm, Amarillo, and Bill Callarman, Canyon. Honored guests were Mr. and Mrs. Art Roberts of Canyon.

Mrs. Marcy chose a beige suit for her daughter's wedding. Her accessories were beige. The bridegroom's mother was attired in a beige wool suit. Both mothers wore pink carnation corsages.

A reception followed in Fellowship Hall of the church.

The bride's table was laid with pink net over pink linen. An arrangement of pink carnations centered the table. The wedding cake was three-tiered with decor of pink and white wedding bells. The punch carried out the bride's chosen colors.

Miss Bettie Knox and Miss Roxie Adkins, both of Crowell, presided at the bride's table. Mrs. C. B. Cairnes was in charge of the reception table. Assisting in the reception party were Misses Susan Anderson, Silverton, Linda Collins, Lera Hutcherson, both of Memphis, Marie Dowlen, Canyon, LaVelda Rose, Tulia, Mrs. Art Roberts, and Mrs. Glenn Dowlen, both of Canyon.

Background music was furnished by Miss Virginia Crounse also of Canyon.

The bride chose a beige wool suit with matching hat and pink accessories for the wedding trip. Her corsage of pink roses was lifted from the bridal bouquet.

The couple will make their home at 2604 6th Ave., Apt. 3, in Canyon, after January 3 and will resume their studies at West Texas State College.

The bride is a graduate of Spur High School and is presently a Senior at W.T. and a member of Zeta Tau Alpha National Social Sorority. The bridegroom is a graduate of Claude High School and is also a Senior at W. T.

The rehearsal dinner was held Saturday, December 16, at 5 p.m., at Wyatt's Cafeteria in Amarillo with the Rev. and Mrs. Hardaway as host and hostess. About twenty-five guests were present.

Dr Tolliver Is Presented Honor

Dr. Crannell Tolliver, head of the Speech Department of West Texas State College, became an honorary member of the Dalhart Zeta Chi Chapter at their annual Christmas party held Tuesday night in the Country Club at Dalhart. The chapter conferred the honor on the local professor in recognition of his work in carrying out the chapter's chief project, the hearing testing program.

Dr. Tolliver has gone to Dalhart each of the past ten years to test the hearing of students in all of the schools. Mrs. Keith Green, chapter president presented the chapter's pin to Dr. Tolliver following the dinner.

Mrs. Tolliver accompanied her husband to Dalhart. Among those present for the occasion were Mr. and Mrs. Clancy Cummings of Dalhart, and formerly of Canyon.

Guests Honored With Reception

Guests of honor at a reception Thursday night of last week in the home of J. Evetts Haley, Jr., were Mr. and Mrs. Tom Anderson and Mr. and Mrs. Frank McGehee.

The Andersons are from Nashville and the McGehees are from Dallas. About 40 persons attended the reception following a speech in Amarillo by Mr. Anderson.

Mr. Anderson is the editor of Farm & Ranch Magazine and Mr. McGehee is founder of the National Indignation Convention.

Woman's Club Hears Review

Mrs. W. C. Hubbard was hostess to members of the Woman's Book Club when they met recently at Hudspeth Hall. Co-hostesses were Mrs. L. H. Brotherton, Mrs. C. R. Burrow, Mrs. H. E. Campfield, Mrs. Ray Campbell, and Mrs. E. A. Oberst.

Visiting speaker was Mrs. Joe Poole of Amarillo who reviewed, "The Mansion", by Henry VanDyke. Mrs. Poole is active in Little Theatre activities and has appeared in "Media" and "Private Lives", plays which were directed by Mrs. W. A. Moore of this city.

Christmas carols were sung by the group, directed by Mrs. Brotherton. Mrs. K. E. Hines arranged the attractive Christmas center piece for the refreshment table, and gifts were exchanged by the club members.

Individual donations were made for the Randall County library.

Deborah Class Has Christmas Social

Mrs. L. K. Bolton and Mrs. E. L. Hardaway were hostesses to members of the Deborah Class of the First Baptist Church in the home of Mrs. Bolton Thursday evening for the Christmas social. Mrs. R. N. Cooke is president of the group, and Mrs. C. L. Wilson is teacher.

Mrs. Wilson gave the devotional, and gifts were exchanged by the members.

Refreshments were served to Mesdames C. F. Rogers, J. A. Edwards, Burney Slack, J. R. Parker, Winnie Wester, Charles Burkett, Doris Gillham, R. V. Pennington, Murray Boston, Harley Burrus, Bill Money, Bolton, Hardaway, Wilson and Cooke.

Mother-in-law Club Meets on Thursday

Canyon Mother-in-law members were entertained in the home of Mrs. H. C. Hudson Thursday afternoon for the club Christmas party. Co-hostesses were Mesdames E. Gidden, W. S. Wharton, and Laura Duckworth.

Christmas carols were sung by the group, and Mrs. W. I. Wester read a paper in memory of Mrs. R. T. Bowman, a charter member of the group, who died recently.

Mrs. Duckworth read a Christmas poem, and Mrs. J. C. Woodfin related a Christmas Story of Different Lands.

Gifts were exchanged by the members.

Refreshments were served to Mesdames G. B. Combs, E. Gidden, O. B. Vaughan, W. J. Stewart, E. C. Penick, T. V. Slack, J. L. Heims, J. C. Dowd, R. D. Lowry, E. C. Hawes, W. G. Rose, Lewis Harvey, Mary Burtz, C. W. Dunn, J. N. Seay, George Hill, Wharton, Hudson, Woodfin, Wester and Duckworth.

Golden Wedding Anniversary Celebrated by Local Couple

MR. AND MRS. EDWIN GIDDEN

Mr. and Mrs. Edwin Gidden were honored Sunday, December 17, on the occasion of their Golden Wedding Anniversary at the home of Mr. and Mrs. Richard Gidden.

Hosts and hostesses were their children, Mrs. Sybil Stringer of Dimmitt; Edwin Ray Gidden, Amarillo, and Mr. and Mrs. Richard Gidden of Canyon. Helping entertain the guests were Mrs. Gidden's sisters, Miss Pearl Richards, Mrs. Wilson Campbell and Mrs. Alice Anderson, all of this city, and Mr. Gidden's sisters, Mrs. Kate Crawford, Memphis, and Mrs. Ara Adkisson, Canyon.

Jewell Richards and Edwin Gidden were married December 19, 1911, at the home of the bride's parents, the late Mr. and Mrs. R. E. Richards in Hall County, near Memphis. They moved to Randall County in 1918 and have made their home here since that time.

The serving table was covered with a white linen cloth overlaid with gold net. Clusters of gold bells were at each corner and encircled the arrangement of yellow roses, one for each year of the anniversary. The three-tiered wedding cake in white, with yellow roses and bells, was at one end of the table and the silver coffee and tea service at the other.

About one hundred and fifty people came by to greet the family during the afternoon.

Mr. and Mrs. John Petry and daughter of Abilene will arrive in Canyon to spend Christmas visiting in the home of her parents, Mr. and Mrs. A. M. Cunningham.

Palo Duro-Rusk Demonstration Club Has Exchange of Gifts

Annual Christmas party for the Palo Duro-Rusk Home Demonstration Club was held Dec. 12, in the home of Mrs. Herbert Gerdsen.

After members sang Christmas carols, Mrs. Earl Reynolds gave a Christmas reading. As music was played, members passed gifts, with each woman receiving the gift she held when the music stopped. Gifts were given to preschool children by the club.

Mrs. Reynolds, club president, was given a large platter in appreciation of her service during the year.

Refreshments of sandwiches, fruit cake, and homemade candy were served from a table decorated with a Christmas centerpiece. Eleven members and five children were present.

Committees for the coming year were also appointed. Finance committee will be Mrs. C.V. Conatser and Mrs. Clem Dugan, with Mrs. Reynolds, Mrs. Alvin Kuhlman, and Mrs. C.D. Todd serving on the program committee. Mrs. Verna Rice and Mrs. Henry Miller are members of the education committee. Mrs. C.V. Wilkinson and Mrs. John Hare are members of the cards and gifts committee.

Installation of officers will highlight the next club meeting Jan. 9, in the home of Mrs. Dugan. Constitution and bylaws will also be read, and members will fill out yearbooks for the coming year.

MRS. W.R. CROW and Mrs. Lonnie Byars are shown at the refreshment table when Phebean Class members are entertained in the Crow home Thursday evening. Many unusual and attractive Christmas decorations are to be seen throughout the entertaining rooms.

Phebean Members Entertained at Party

Scene for the Christmas party given to entertain members of the Phebean Sunday School Class of the First Baptist Church was the home of Mrs. W. R. Crow. The social was on Thursday evening, with Mrs. Leonard Winters and Mrs. Lonnie Byars assisting as hostesses. Mrs. Earl Davis is teacher of the group.

The home was attractively decorated for the Christmas season with the archway outlined in wreaths of foliage, ornaments and lights. An arrangement of poinsettias, flanked on either side with crystal candelabras, adorned the buffet, while a tree of aluminum was decorated in Christmas balls and tufts of net.

Mrs. A. K. Goodman told the Christmas Story, and Mrs. George Dudley Moore, Sr. directed the Carols, accompanied at the piano by Mrs. T. H. Knighton. Mrs. Claude Boatman gave the devotional.

Special vocal numbers were presented by Velora, Ann and Linda Adair, accompanied by their mother, Mrs. Marcus Adair.

The refreshment table was covered with a cloth of white felt with sequin trim, and centered with a Christmas arrangement. Snowballs with lighted red candles were served with coffee.

Present were Mesdames Lee Allen, Lon Fanning, Carl Hartman, John Jennings, P. L. Pitt, R. A. Smith, Faye Cannedy, Lorenzo Wirt, R. E. Marshall, Charles Conatser, J. T. Graham, R. A. Hodges, Tom C. Gooch, A. W. Harding, George Barker, Jim Carter, Fred Standley, Davis, Goodman, Knighton, Moore, Boatman, Adair, Winters, Byars and Crow, and Misses Velora, Ann and Linda Adair.

CANDLELIGHT adds to the festive atmosphere in the home of Mrs. W.R. Crow for her Sunday School party. Her reflection is pictured in the mirror as she lights the candles that form a part of the poinsettia arrangement which has been placed on the buffet.

Candy-making Is Favorite Activity in Most Homes During Christmas Season

MAVIS TRIMBLE, Shirley Irlbeck and Rosemary Lancaster sample the candy which has been made by Canyon High School Homemaking classes. The recipes, which are easy to prepare, will be demonstrated in many homes during the holiday season.

Candy-making is a favorite activity at Christmas time in most homes. All Canyon High School Homemaking students have seen demonstrations on candy making during a class period. Most failures in this activity are due to insufficient cooking or over-cooking.

A firm soft ball stage is used in most recipes, and this means putting a small amount of the candy, a drop or two, in a small amount of tap water. If the candy can be picked up and rolled quickly between the fingers without losing shape, the candy is ready to remove from the heat.

Other tips for success in this field are: 1. Use a large heavy pan. 2. Watch candy closely. 3. Test carefully. 4. Be patient and follow the recipe. 5. Stir steadily. 6. When it rains or humidity is high, cook a bit longer.

Recipes which have been used and found to be very good are given as follows by Mrs. Clara Long, Canyon High School Homemaking teacher:

PEANUT BUTTER FUDGE

1 c. crunchy peanut butter
1 jar Hip-o-lite (8 oz. marshmallow cream, put into a bowl)

Cook together:

1 c. sugar
2/3 cup milk, to firm ball stage

Pour over peanut butter and marshmallow cream and mix thoroughly. When cool pour into greased pan; and when set, cut into squares.

WHITE TAFFY

2 c. sugar
1/2 c. corn syrup
1/2 c. water
1/4 t. cream of tartar
1 t. vanilla

Combine sugar, corn syrup, water, and cream of tartar. Place over heat; stir until sugar dissolves. Cook without stirring to very-hard-ball stage (265 degrees). Remove from heat; add vanilla. Pour on greased platter.

When cool enough to handle, pull until taffy is snow white and porous. Twist into ropes. Cut with scissors, or cool and break in pieces. Makes 2 doz. pieces.

PINK MINT TAFFY

Substitute 3/4 t. peppermint extract for vanilla. Add red food coloring.

PEPERMINT CANDY CANES

Substitute 3/4 t. peppermint extract for vanilla. Divide in 2 portions; add 3/4 t. red food coloring to 1 part. Pour on greased platters. Pull each part separately.

Form in ropes and twist red part around white. Cut in 8" lengths and form in the shape of candy canes. Makes 10 canes.

DIVINITY FROSTING

2 1/2 c. sugar
1/2 c. water
1/2 c. Karo
Cook to firm boil stage
Pour over:
2 egg whites -- beaten just to peak-fold stage very slowly.

Beating vigorously: Add desired flavoring and beat until gloss begins to disappear -- drop by the teaspoon on wax paper -- add desired decorations.

"NO-COOK" FONDANT

1/3 c. soft butter or margarine
1/3 c. corn syrup
1/2 t. salt
3 1/2 c. (1 lb.) sifted confectioners' sugar

Blend butter, corn syrup and salt in large mixing bowl. Add sifted sugar all at once. Mix together with a spoon then knead with hands into a smooth soft ball -- knead in all the dry ingredients. Makes about 1 1/3 pounds of candy. Flavor and shapes may be varied as desired.

MINT PATTIES

Add 1 t. mint flavoring to "No-Cook" Fondant. Shape into kesired shapes. Tint desired color, or dip in chocolate coating.

MINIATURE ORANGES

Add orange extract and tint delicate orange color by using red and yellow vegetable coloring.

LEMON ROLLS

Add 1 t. lemon extract. Tint a delicate yellow with vegetable coloring. Shape into small rolls or miniature lemons.

CIRCUS BALLS

Add 1 t. vanilla. Shape into small balls about 1/2" in diameter. Roll in multicolored candy cake decors.

NUT CREAMS

Add 1 t. vanilla. Shape into small rolls, fill pitted dates, roll in granulated or powdered sugar.

STUFFED DATES

Add vanilla. Form into small rolls. Press between two walnut or pecan halves. Or, make a roll and cover with caramel coating and roll in chopped pecans or peanuts.

MARTHA WASHINGTON

Melt 1/4 lb butter, add 1 can Eagle brand milk
2 lbs. powdered sugar
1 can coconut
1 qt. pecans (chopped fine).

Mix together. Roll into desired shapes and dip in chocolate mix.

CHOCOLATE NUT FUDGE

1 1/2 c. sugar and 1 large can evaporated milk -- bring to boiling (full rolling boil). Cook over medium heat for 5 minutes. Stir to keep from sticking to pan.

Into a large pan or mixing bowl put:

15 oz. of plain Hershey bars broken into small pieces
2 6-oz. pkg. semi-sweet chocolate bits
8 oz. jar of marshmallow cream
1 t. salt
1 t. vanilla extract.

Pour hot sugar-milk mixture over this, one half at a time, mixing thoroughly after each addition. Mix well, add nuts to suit taste. Pour into pans, let cook, cut into squares, or drop by spoonfuls onto greased paper.

BURNT SUGAR FUDGE

4 c. sugar and 2 c. cream (1 large can evaporated milk may be used). Put on stove to boil. Put 2 c. of sugar into a heavy skillet and place on heat to melt -- stir continuously until sugar is all melted and it looks like brown sugar syrup. (be sure to keep it a light brown color).

When the sugar is completely melted pour it in a tiny stream into the boiling first mixture. Stir to mix well and let cook until it will make a firm solid ball when a little is dropped into cold water.

Set kettle off fire and put in 1/4 t. soda, stirred until mixture foams up. Add 1/2 c. butter and stir until it is melted. Set aside for 20 min. Then add 1 t. vanilla and beat mixture until dull and heavy looking. Stir in 3 c. of chopped nut goodies and pour mixture into buttered pans. When cold cut into squares.

Miss Alice Brotherton will be in Canyon during the Christmas holidays to visit with her parents, Mr. and Mrs. L. H. Brotherton. She is a teacher in the Austin schools.

Wirt To Open Coin-Operated Dry Cleaners

Wayne Wirt this week announced the opening of the Holiday Coin-operated Dry Cleaners.

The installation has been done in the remodeled front section of the store at 1617 Fourth Avenue.

Wirt said he believes that growing Canyon will enjoy the benefits of automatic self-service dry cleaning.

Although future plans are not definite at this time, he said there will be an attendant on duty most of the time the business is in operation.

A formal opening is planned to take place after the first of the year.

CottonQuota Vote Carries In Randall

Bad weather kept many farmers from the polls Tuesday of last week in the cotton referendum.

Here in Randall County only 47 cast ballots. The Randall County ASC office had estimated that 209 persons were eligible to vote.

The vote was 34 for and 13 against quotas being in effect on the 1962 crop. The proposition was whether quotas would be in effect for the 1962 crop "with penalties on any "excess" cotton produced on a farm and price support for growers who comply with their allotments to be available at a level of from 65 to 90 percent of parity."

THE STATE OF TEXAS

To any Sheriff or any Constable within the State of Texas-- GREETINGS:

You are hereby commanded to cause to be published once each week for four consecutive weeks, the first publication to be at least twenty-eight days before the return day thereof, in a newspaper printed in Randall County, Texas, the accompanying citation, of which the herein below following is a true copy.

CITATION BY PUBLICATION
THE STATE OF TEXAS

TO: DORIS L. DOSS, Defendant, Greeting:

YOU ARE HEREBY COMMANDED to appear before the Honorable 47th District Court of Randall County at the Courthouse thereof, in Canyon, Texas, by filing a written answer at or before 10 o'clock a.m. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 14th day of December A.D. 1961, to Plaintiff's Petition filed in said court, on the 1st day of December A. D. 1961, in this cause, numbered 5471 on the docket of said court and styled RAYMOND B. DOSS, Plaintiff, vs. DORIS L. DOSS, Defendant.

A brief statement of the nature of this suit is [illegible], to wit: Suit for divorce on grounds of cruel treatment. No children born to marriage. Plaintiff sues for division of community personal property, as is more fully shown by Plaintiff's Petition on file in this suit.

If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved.

The officer executing this writ shall promptly serve the same according to requirements of law, and the mandates hereof, and make due return as the law directs.

Issued and given under my hand and the seal of said court at Canyon, Texas, this the 14th day of December A.D. 1961.

Attest: Mavis Hill, Clerk,

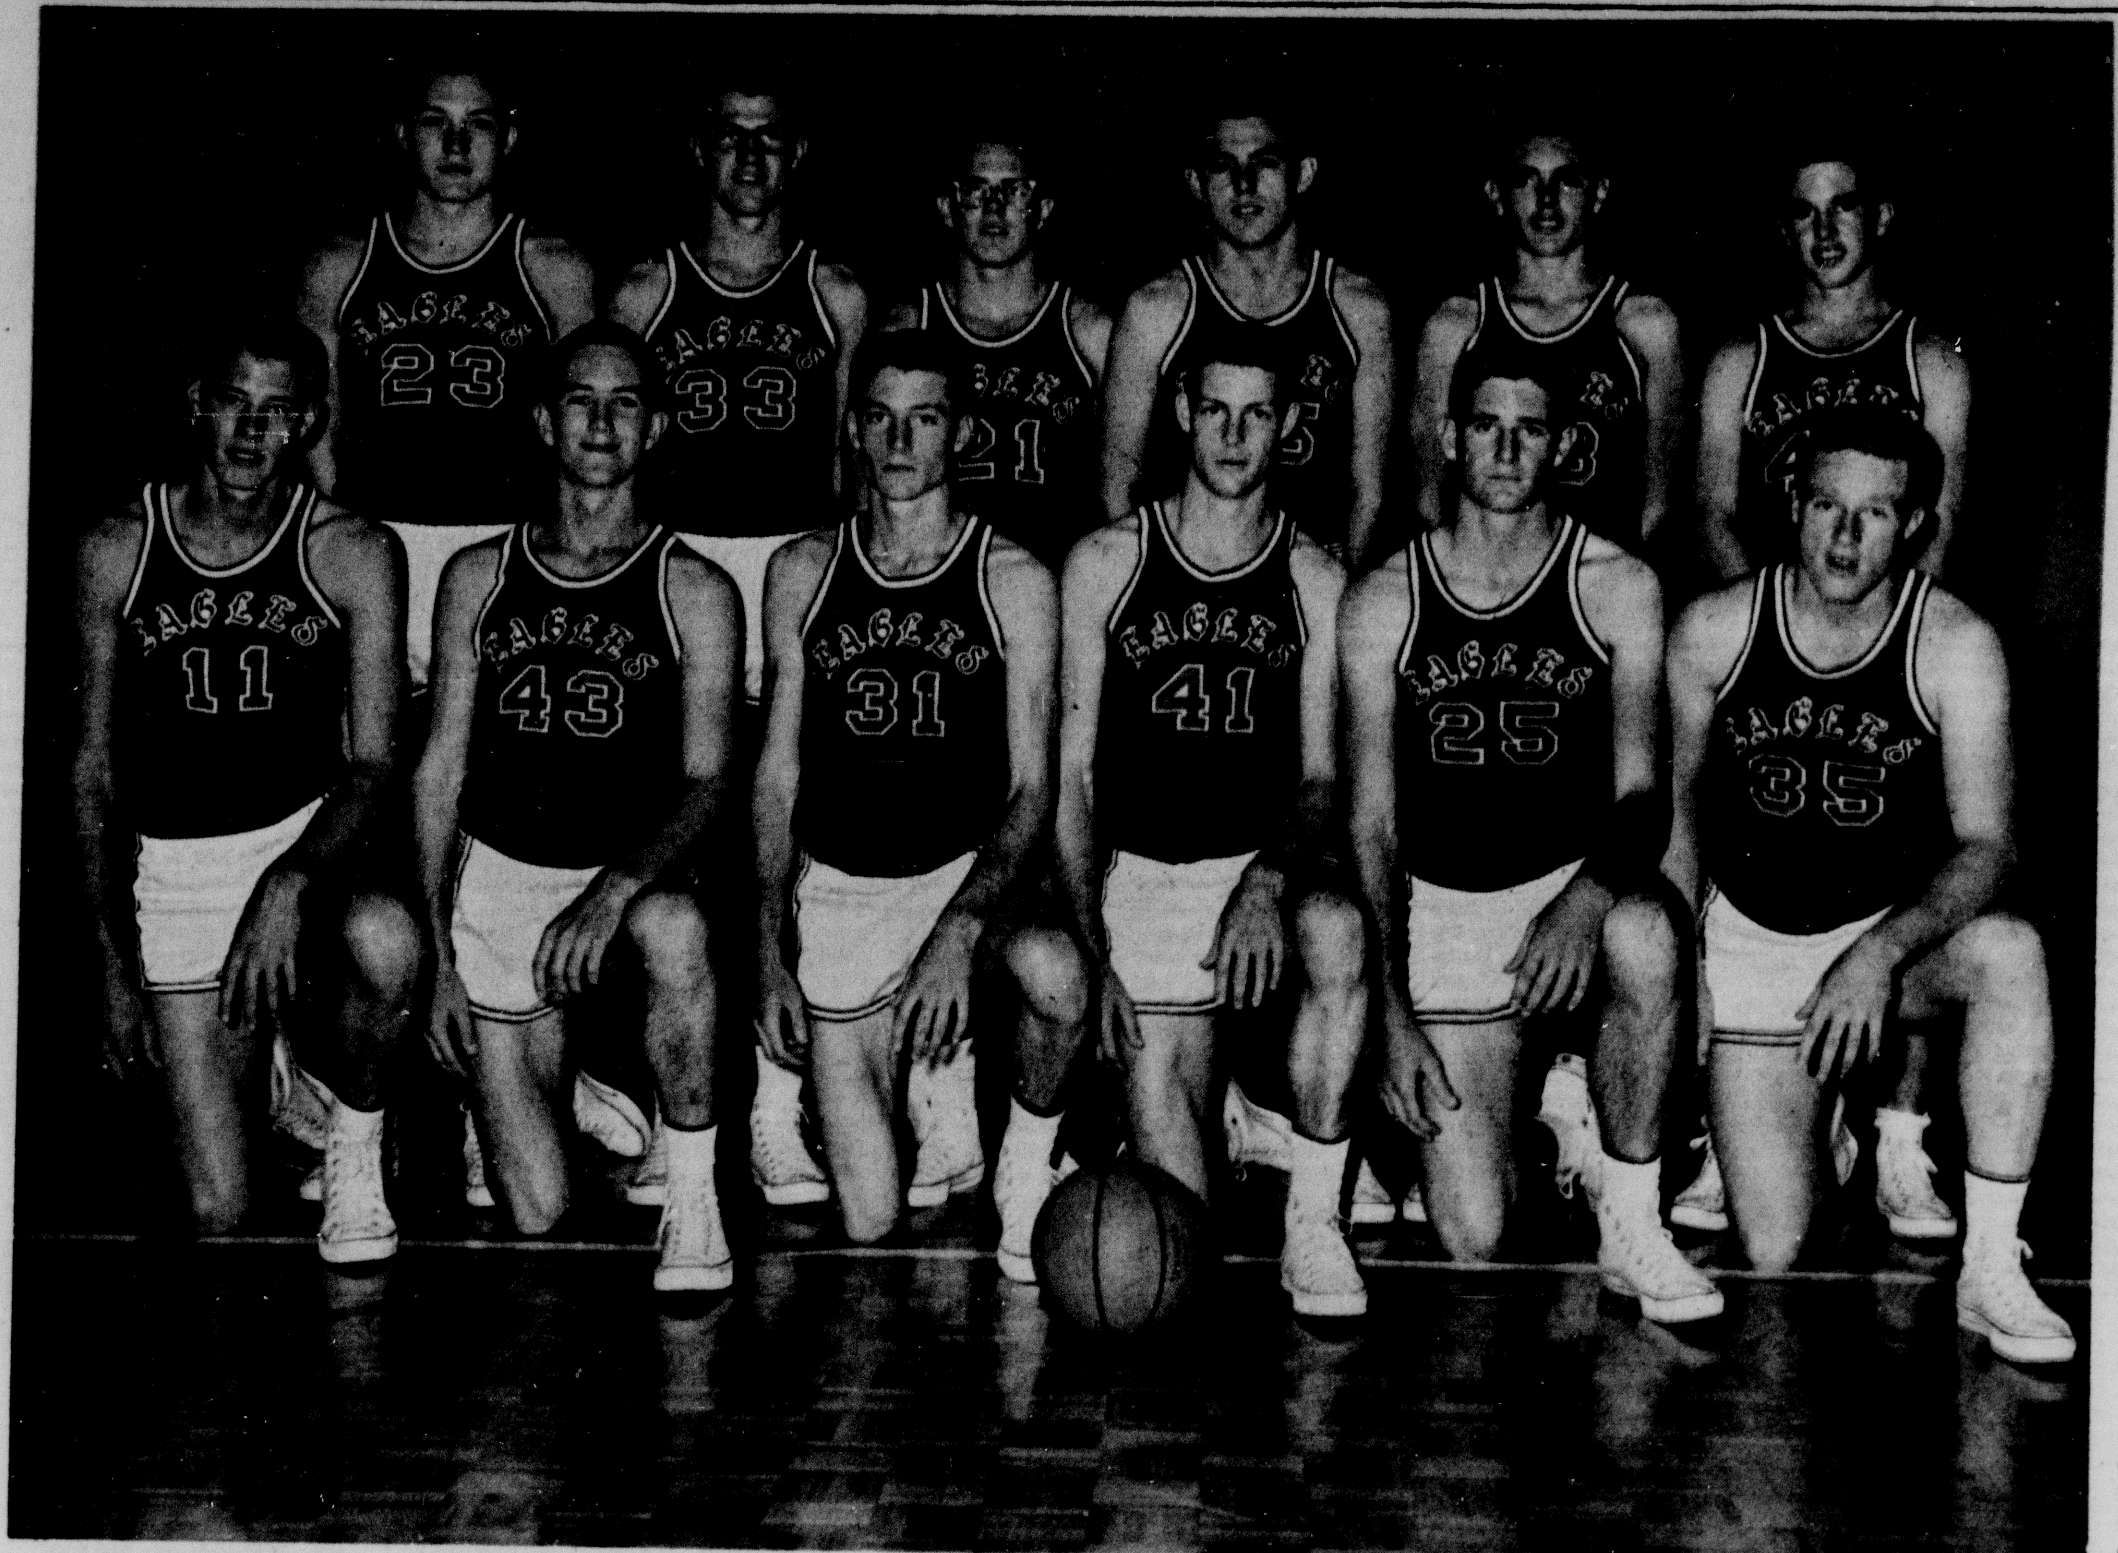
DOUBLE GUNN BROS STAMPS TUESDAY AT BELLAH'S



CANYON'S BASKETBALL team brought home their third trophy of the year, a third place in the Tulia Tournament this past weekend. They have won a first place trophy from the West Texas Tournament and then a third place from the Plainview Tourney. They travel to White Deer Thursday night and then play Borger Friday night there. On the first row from left to right are Bob Begert, Eddie Poole, Warren Rutherford, Wayne Rutherford, Jess Sheets and Ronny Harris. On the second row are Davis Price, Donald Brietling, Harry Lisle, Richard Green, Jim Whinnery and Larry Holman.

Eagles Win Third In Tulia Tourney

Canyon's Eagles brought home their third trophy of the year, third place in the Tulia Tournament. They whipped Happy, lost to White Deer in an overtime and ran-away with Sudan to win third.

Bob Begert, center, and Warren Rutherford, forward, were named to the All-Tournament team for their outstanding playing. Begert poured 72 points through the baskets in three games and in the final game got 27 rebounds, completely controlling the backboards. Warren hit for 37 points, 26 of them coming in the game with Sudan.

This third place trophy will sit beside a third place trophy received at Plainview and a first place award from the first West Texas Tournament.

In the final game for the Eagles, they had a rough time getting the lead the first quarter from a somewhat weak Sudan basketball team. Sudan hit the basket from outside with long set or jump shots and were deadly accurate the first period, while the CHS Eagles used a combination of lay-ups, jumps and shooting the ball to "big" Begert who just jumped into the sky and dropped the ball through the bucket. At the end of the first quarter, Canyon lead 14-13.

Coach Allen Simpson's team then began to play tighter on defense, allowing only three field goals the second period, while the Eagles made six FGs and six charity tosses to lead by ten points at halftime, 34-24.

During the third stanza, the Eagles widened their lead to 15 points, 55-40. The outside shooting of Warren and Wayne Rutherford combined with lay-ups by hard driving Ronny Harris and Harry Lisle along with Begert under the basket shots spelled defeat for Sudan.

It appeared Canyon was playing with Sudan, like a cat does with a mouse it catches, for during the last period Sudan scored one point off a free throw. During this time, the Eagles dropped 23 points through the hoop. Warren Rutherford was high point man with 26 points, but Begert was close behind with 25.

In the game with White Deer, the full-court press hurt the Eagles. Canyon players got rattled and tried to dribble the ball during the press, rather than passing the ball. Several times during the full-court press, a lone Eagle stood under the basket, but the players with the ball were dribbling and not looking for someone in the open.

This full-court press along with a combination of mistakes such as goal tending, a technical foul, lobbing passes, missing easy lay-up shots and missing vital free throws in the last quarter, made the Eagles look worse than they played.

The CHS quintet missed four chances at the free throw line, three of those charity tosses being one-and-one shots in the last 1:55 of the game, which made defeat taste bitter.

Begert missed a charity toss with only five seconds left on the clock. White Deer got the rebound and passed to Thurmond who took the ball and drove in for an easy spot uncontested by any CHS player. This was Thurmond's only score of the game, but it was important as it tied the score as the buzzer was blowing.

During the overtime both teams used ball-control tactics to get a good shot and with 12 seconds left, Campbell dropped in a set shot for the White Deer victory.

In Canyon's first game, the Eagles easily defeated Happy. The Canyon team held Happy to one field goal the first period and then coasted to a 56-38 victory. Coach Simpson played the reserves most of the second half, saving his first team for a game with Borger the same night. (See an additional story about the near-upset the Eagles almost pulled out of the hat against the Borger Bulldogs.)

The loss to White Deer could have been attached to many reasons. One might be the Eagles playing Happy at 11:30 a.m. and then the same night taking on tough Borger at 8 p.m. Two games the same day and then meeting the tough White deer the next afternoon might have been too much basketball for the young Eagles, but the experience gained should help the team.

Canyon will get two more chances at the White Deer squad this month. First, the Eagles will travel to White Deer Dec. 21 and then on Dec. 30 will host this tough team. Canyon earlier had beaten WD 51-49 in the championship game at the West Texas Tournament.

Borger Beats B Team 46-45

Canyon's "B" team almost upset the strong Borger "B" team Thursday night, with the score on the board reading 46-45 when the final buzzer sounded.

The CHS quintet was behind all the way, but managed to pull within scaring distance during the final seconds of the contest. The hometown boys scored 16 points the fourth quarter, while holding the Borger lads to nine.

During the first half, the CHS five couldn't find range on the baskets and scored 20 points, while Borger lead by four points, 24-20.

Canyon's "B" squad outscored the visitors at the free throw line, making 17 out of 28 charity tosses, while Borger made only eight free throws.

Lights for Tree Traced to Luther

Decorating the Christmas tree with lights is a custom that some historians trace back to Martin Luther, the Reformation leader, Encyclopedia Americana researchers say.

After a walk one Christmas Eve under a brilliant starlight sky, Luther returned home and tried to reproduce the scene for his family by lighting candles on the Christmas tree.

Eagles Face Tough Teams This Week

Coach Allen Simpson's quintet will have their hands full the latter part of the week, meeting a strong White Deer team Thursday night and then the tough AAAA Borger on Friday night.

The Eagles have beaten the White Deer team in the West Texas Tournament for the champsionship trophy 51-49 and then lost to them in the Tulia Tourney in an overtime 53-51, after leading most of the game.

This game will start at 8:30 p.m. in White Deer and will be another tough battle for the CHS five. White Deer will have the home court advantage, but if the Eagles will not make as many mistakes as they did in the game in the Tulia Tourney with WD, the CHS quintet could add another win to their record.

The next night, the Eagles will travel to Borger to return a game with the Bulldogs. Earlier, the Eagles almost pulled an up-set on the AAAA school. The CHS quintet lead most of the game and finally lost by a slim four points, 52-48.

The Borger team will be ready for the Eagles and will seek revenge for humiliating game the Eagles played against the Bulldogs. Unless the hometown team is mentally ready for this tough Borger team, which hasn't lost a game this year, it could be bad for the Eagles.

Coach Simpson gives his players a week off from games and they will not play again until Dec. 29 against the Gruver team here. However, Coach Simpson will have workouts during the Christmas holidays to polish the Eagles and prepare them for district play.

8th Grade Wins Second Game

Canyon's eighth grade boys made it two in a row stopping a Dumas team 36-22 Thursday afternoon here. This was the second win of the season for the junior high team against no defeats.

They played Hereford Monday afternoon and the results will be in the first section of the News.

Three boys tied for high point honors with seven points apiece. Tom Lair, James Evans and Gary White lead the Canyon team to victory.

Sgt. and Mrs. Eugene Bizzell will spent the Christmas holidays visiting with relatives in Kansas City, Missouri.

Bowling News

The Canyon Bowl and West Texas State College were hosts this weekend to the Intercollegiate Bowling Tournament. The New Mexico State Aggies won the team event with a 3057 while Eastern New Mexico University came in second with a 3033.

West Texas State did not do so well in team scoring, but they bounced back in the doubles and singles events. Bob Pierce and Bill Thrasher won the doubles with 1363, Bill Frost of WT won singles with a 694, followed by Bob Pierce with a 687.

In the ladies division, the team honor was won by West Texas. P. E. majors won it with 3016 and second place went to Delta Zeta with 2757. Carolyn Adams captured first in singles with 598 for Eastern New Mexico, closely followed by Jean Reed of West Texas with 597.

The Canyon Bowl's fall spectacular is now in full swing, and a shift of standings occurred this weekend in the men's team seeing the shake-up. Prices of Midland took over first with 3353. Eddie Dear of Spearman is in first in the singles with 1383, while Don Whitlark and Nig Carter are pacing the doubles with 1421.

In the ladies doubles, Louise Pierce and Sue Anderson took over first with 1169. All scores include handicaps. The tournament has a guarantee of $500 for first place in the men's division and will run until Jan. 14, 1963.

Nig Carter is probably one of the happiest men in Canyon, he rolled a perfect 300 in open play two weeks ago. It was the second rolled at Canyon Bowl, the first was posted by Lynn Crabtree.

Eagles Almost Upset Borger

The always dangerous Eagles came close to making history in the circles of Panhandle basketball Thursday night.

They gave the AAAA Borger Bulldogs the biggest scare of the young year by leading them most of the first half and by keeping within nipping distance throughout the second half. Canyon lost by a mere four points 54-48.

This was the second game of the day for the CHS quintet, they had beaten Happy in the Tulia Tournament 56-38 Thursday morning and then came home to host the Bulldogs. Borger has won eight games while keeping their loss column at zero.

Center Bob Begert led both teams in the scoring department with 16 points, while teammate Warren Rutherford had 11 points. The Eagles also held high scoring Simpson to his lowest amoung this year with 12 points. He has an average of 20 points per game. Simpson is the younger brother of CHS coach Allen Simpson.

Canyon took the lead but by halftime the lead had changed hands eight times and was tied nine times. The score at the end of the first half was 30-30. During the third stanza the score see-sawed back and forth until Borger finally led at the end of the quarter 42-40.

Borger got a six point lead during the last period and some how managed to keep the Eagles from scoring but one lone field goal. It came with only 40 seconds left in the game. The Eagles did score from the free throw line six times.

Eaglettes Drop Tourney Games

The Eaglettes dropped two games in the Tulia Tournament this weekend to give them a 5-8 record for the season. They lost their first game to Claude 49-27 and then dropped a contest to Muleshoe 59-33.

They played the Nazareth team Monday night and the results will appear in the first section of the News.

In the Tulia Tournament, the CHS lassies started off on the wrong foot and couldn't get the scoring machinery to move. Claude scored 16 points the first quarter, while the Eaglettes got only six points. At halftime the Claude team led 27-9 and at the end of the third quarter, the score was 36-17 in favor of Claude.

Kathy Hinger got fifteen points, all of them on free throws. The Claude team guarded Canyon so closely, the CHS squad scored only three field goals.

In the second game, Hinger was high scorer for the Canyon team with 18 points. She scored 12 free throws and three field goals.

The Canyon lassies started good in their second contest by keeping up with the Muleshoe team. The score at the end of the first half 15-9, but at the half Canyon was trailing 31-14. The Muleshoe girls were leading 42-31 at the end of the third period and coasted to victory.

Ronny Brock Wins Fight

Canyon boxers will fight against Pampa Friday night at Dee's Boxing Club in Amarillo and all seven Canyon pugilist will fight.

Boxers entered in the matches are Kyle Sunderman, Max Sunderman, Tommy Thompson, David Thompson, Ronny Brock, Johnny Ray Abbott and Zeke Clements.

In the fights with Perryton last Saturday, Brock won his first fight. Tommy and David Thompson lost their fights by decisions.

Mr. and Mrs. J. F. Cook of Wheeler are visiting in the home of Mrs. Lillian Gressett and boys. They are Mrs. Gressett's parents.

WT Loses Seventh Contest

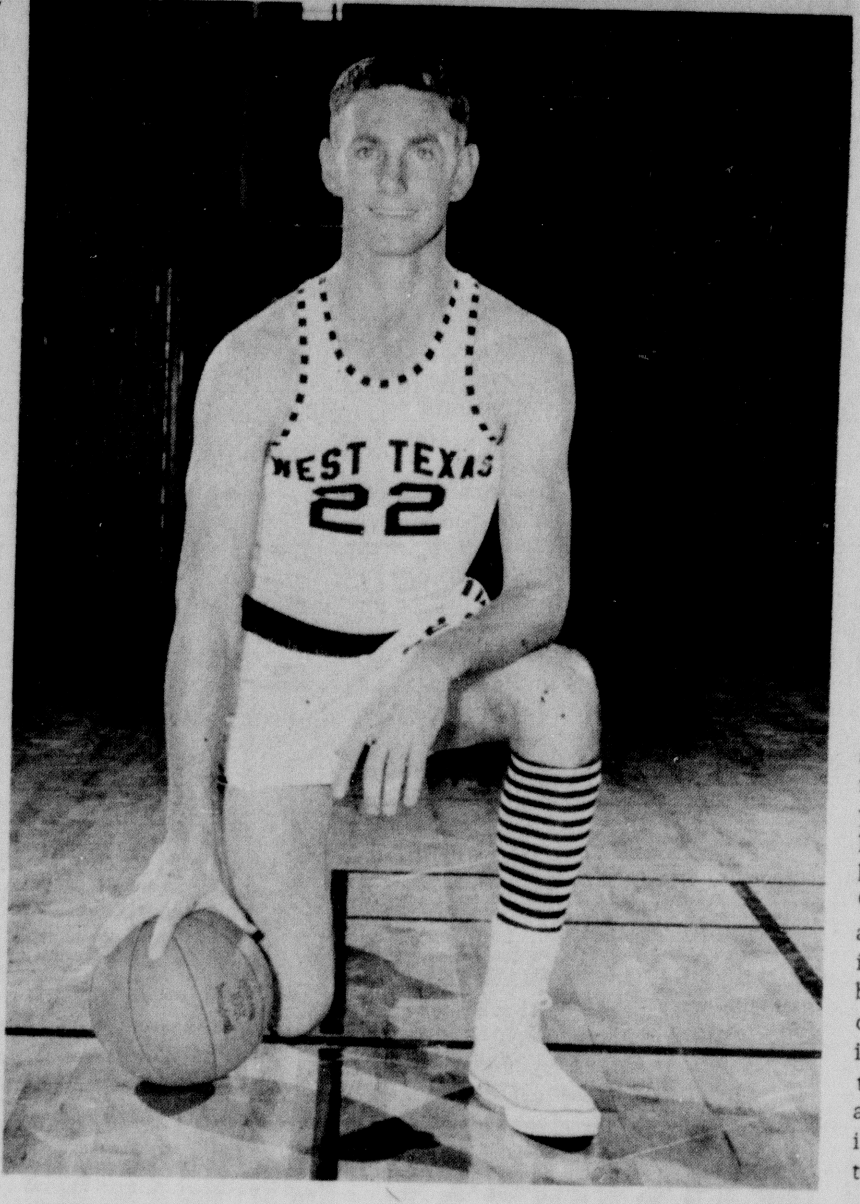
* * * * * *

West Texas State's sinking basketball ship saw defeat number seven posted Friday night by the Abilene Christian College quintet.

The game was nip-and-tuck most of the first half and in the early stages of the second half before the ACC quintet got hot and posted a 89-72 victory over the Buffs. At halftime the score was tied 41-41.

In the Wildcats fifth straight win, they hit 48.6 percent of their field goals, while WT hit 37.3 percent.

Thursday night the Buffaloes lost game number six to McMurry 80-58.



JIM CURTSINGER, Hereford senior, is the fourth top scorer for the WT Buffs with 70 points in seven games played for an average of ten points per game. His speciality is a set shot. This six foot four inch guard has lettered for two years for WT.

Mr. and Mrs. Jack Nunley and children, Gerald and Annie Lee, of Hereford, spent the weekend visiting in the home of her father, J. W. Spencer, and with other relatives and friends.

Mr. and Mrs. Harold Neal and three children, Bobby, Linda and Anita, of Hobbs, New Mexico, will be in Canyon Saturday to visit in the home of her parents, Mr. and Mrs. W. R. Crow. Mrs. Neal will be remembered as the former Rita Jo Crow.

Cards Express Sentiments Merry, Friendly, Reverent

Friendly, merry, reverent, grateful — Christmas sentiments find expression in greeting cards at the holiday season.

Just when the sending of greeting cards first began is a question that may never be settled, especially since it is always possible that early examples of printed Christmas greetings are waiting to be found among private books and papers.

The Cole-Horsley card is considered by many to be the first published Christmas card. It was designed in Britain in 1843 by John Calcott Horsley, a well-known artist of the period, for Sir Henry Cole, director of the Victoria and Albert Museum.

The card bears the now-universal greeting, "A Merry Christmas and a Happy New Year to You." It shows a joyous family seated at Christmas dinner.

A copy of the card, discovered in England in recent years by a representative of Hallmark, is now part of the Hallmark Historic Collection, housed at the greeting card company's headquarters in Kansas City, Mo.

Louis Prang of Boston, an art-loving lithographer, published the best known early Christmas greetings in the U. S. He conducted art and literary competitions for greeting card material, and published cards of outstandingly high quality.

Tally Sheet

By Marvin Ellis

Not many high school athletes have the "guts" to play at all cost, giving their best for a team effort, but little Richard Green, senior guard, and lanky Wayne Rutherford, senior forward, have been playing basketball with injured knees.

Richard, a two-year letterman at the roundball sport, hurt his knee in football earlier this year. This five foot ten inch player then rehurt his knee in a basketball scrimmage with Tascosa and couldn't play for several games. Even with his knee being taped and using a knee support, Richard begged the coach to let him play. The doctor had given his approval.

This eagerness to play is the spirit I like to see, even if it means sacrificing. When Canyon was scaring the living daylights out of the top basketball team, Borger, last week, Green turned his knee again and was rolling on the floor in pain for several moments before the officials called time out. Even with his knee reinjured, Richard is waiting for the green light to get back into action. This is really competitiveness and is what makes a team a winner.

The other basketball player with an injured knee is Wayne Rutherford, six foot two inch forward. Wayne was a key player on last year's team and is helping more each week. If he keeps with the improvement, it will take some of the stress off other Eagles. He also has to wear a knee support.

These two youths are the type which have made our country strong, the type who are willing to sacrifice.

In fifteen games this year, the Eagles have scored 823 points while holding opponents to 746. Coach Allen Simpson's quintet has won nine games and has lost six for a percentage of .600.

The Eagles have lost two times to AAA schools, twice to AAAA schools, once to White Deer, a strong AA team, and to AA Panhandle.

This improving group of players have beaten AAA Phillips and several tough AA schools.

And with this good record for the Eagles, fans have been far and few. At the Eagles match against Borger here, the gate didn't even reach $100. Eighty-five adults paid to see the contest, while only 56 students witnessed the near-upset.

The people of Canyon and the students at CHS won't support a loser, that was proven during football season. Now they don't support a winner and a team which will be a threat in district.

Even the students at Canyon, who should be at the games yelling for their Alma Mater, have been but a trickle of the fans at each game and it is the same group each time. These loyal fans get congratulations from me.

This is a week late, but Cindy Gerald made the All-Tournament team at Happy last week. The Eagles were playing in Plainview and the Eaglettes in Happy, and the award wasn't known by many people. Some young girl at the Plainview Tournament told me one of the Eaglettes made the All-Tournament team, but I didn't write it down and forgot about it. A week late, but congrats to Cindy.

Look in the special Christmas edition of The News in this column for my predictions of the 1-AA basketball race. I will explain reasons for picking the five teams in the order in which I believe they will be at the end of the season.

West Texas basketball has started off to a dismal beginning, losing their first seven games. In their first home game against the Abilene Christian College, the Buffs outplayed the visitors but made way-too-many mistakes. They threw the ball away, missed on passes and couldn't control the backboards.

The Buffs have three games left this month before the Conference race starts in January. Tuesday night of this week they hosted a strong Southwest Missouri team and then Wednesday traveled to Wichita Falls to play Midwestern. The 29th of December the WT quintet will host North Texas.

7th Graders Win 1st Game

Canyon's seventh grade boys won their first game of the season by stopping Dumas 25-21 Thursday in a game played here. They now have a 1-2 record and played Hereford Monday afternoon. The game results will be in the first section of the News.

Joe Moore and Don Howard scored six points apiece to be top scorer for the Canyon team.

S. Claus Now Changed Man

Santa Claus has undergone quite a metamorphosis in his time. Before Dr. Clement Moore, Santa's appearance was a problem left mostly to individual discretion and personal taste. He might be short or tall, plump or thin, merry or solemn.

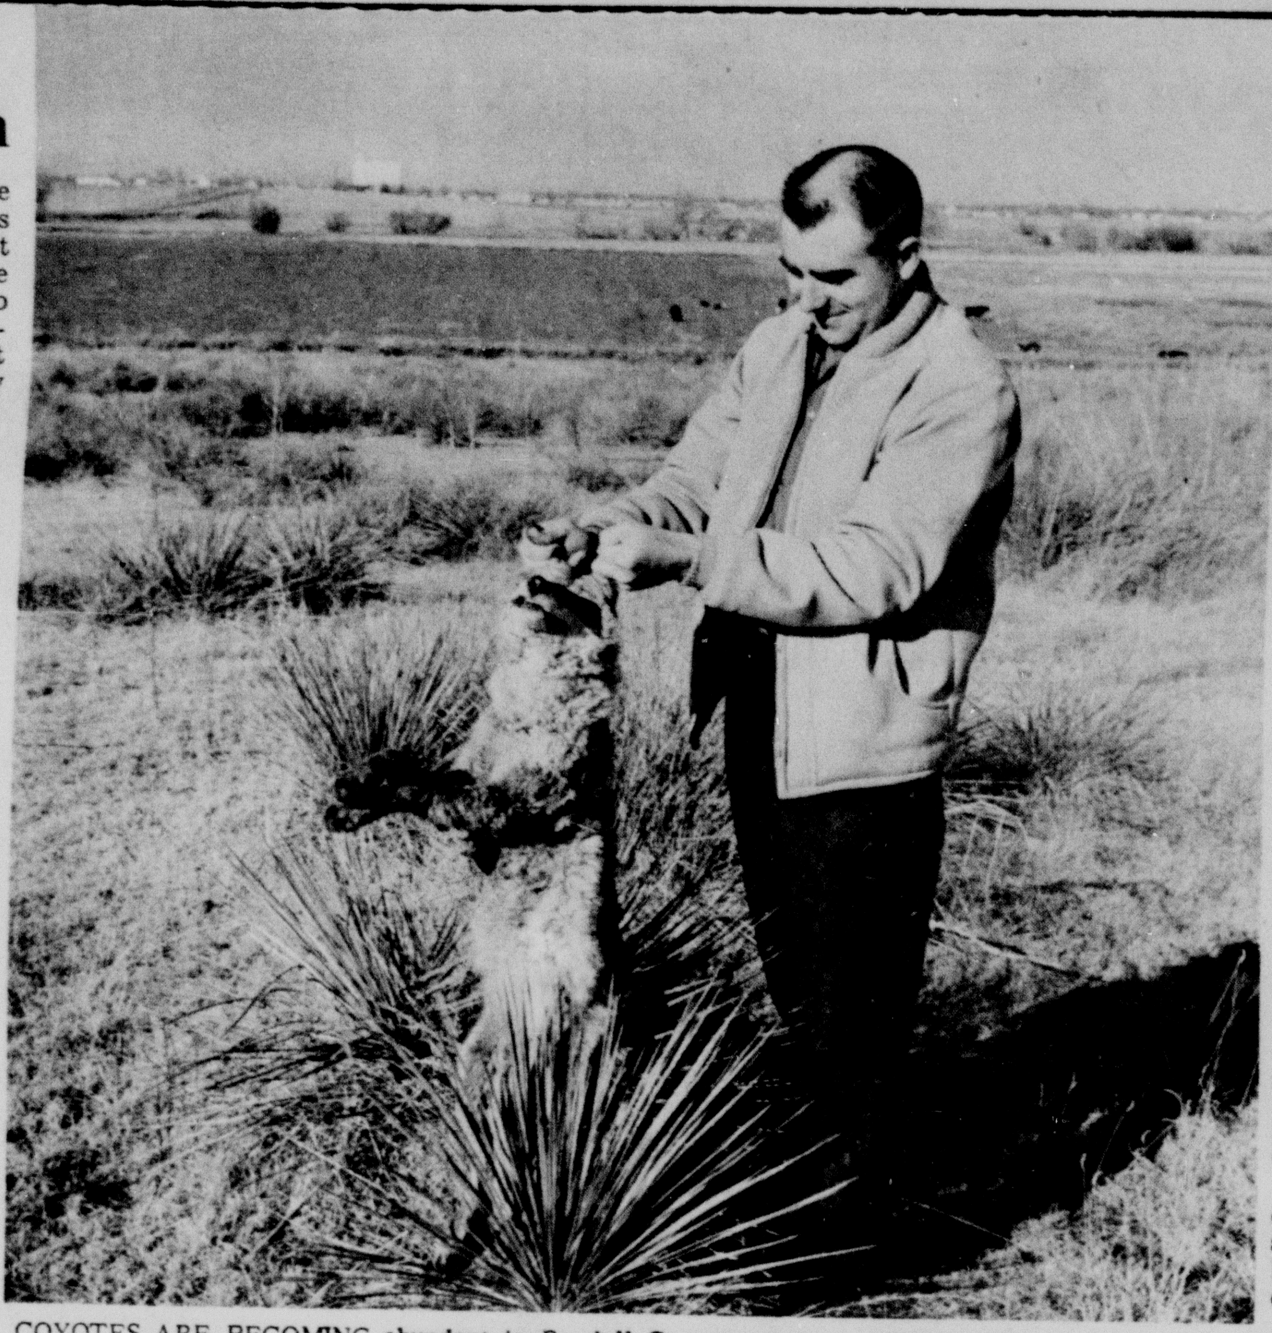
The European St. Nicholas was pictured as a tall, thin man who rode a gray horse. In 1809, Washington Irving described Santa as a jolly fellow who wore a wide-brimmed hat.

After Dr. Moore wrote "'Twas the Night Before Christmas," in 1823, St. Nick acquired definite external characteristics. Ever after, children "knew in a moment it must be St. Nick" by his well-fed, merry appearance — twinkling eyes and a rosy face — and his sleigh and reindeers for transportation.

The image of Santa was affirmed in 1869 when Thomas Nast's cartoon was published, picturing Santa in his now-familiar red garb, smoking a pipe. Like all famous men, Santa today finds it difficult to travel anywhere incognito.

KING ARTHUR'S YULE

According to story, the first Christmas in England was celebrated at the famous Round Table of King Arthur.



COYOTES ARE BECOMING abundant in Randall County, as many residents have spotted packs of these four-legged critters roaming the countryside. Rollie Hyde, advertising manager of the News, holds a mature coyote Ed Money killed on his farm. Money's farm is located approximately one-half mile from the city limits south of the high school. Money stepped to his back door and used a .30-.30 saddle rifle to bring down this varmit.

Epiphany Cake Helps French Choose King and Queen to Rule Evening

"La Galette des Rois," the "Kings' Cake," is the French form of Epiphany cake, according to the editors of The Encyclopedia Americana. Epiphany cake is baked all over Europe, either at Christmas time to eat until Twelfth Night, January 6, or on Epiphany day.

French peasants put a bean into the cake mix, and the finder of the bean, when the cake is baked and cut, is "King" for the evening. He then chooses a "Queen" to share his honors.

In the French towns, a china doll is substituted for the bean.

Tradition Helped As Washington Crossed River

During the American Revolution, George Washington used his knowledge of Christmas celebrations to take an important step toward peace.

Puritan settlers in the New World disapproved of Christmas festivities, but Washington knew that the Hessian soldiers, employed by George III to fight the colonists, would observe Christmas as they had done at home.

On December 25-26, 1776, he crossed the Delaware, attacked and put to rout the surprised Hessians who had been obliviously sleeping off the effects.

Poinsettia Puzzle Is Christmas Fun

A fun-maker at Christmas is to ask family or friends this question: "What color is the blossom of the poinsettia plant?" Chances are, the answer will be, "Red, of course."

Actually, the red "blossoms" of the poinsettia are not the flower of the plant — they are leaves. The real blossoms are the tiny yellow flowers in the center of the red clusters.

A comparative newcomer to the traditional Yule greenery, the tropical poinsettia was discovered in Mexico in 1828, by Dr. Joel Roberts Poinsett, first U. S. minister to Mexico. He aroused interest in its beauty, and the plant is named for him.

Albert Ecke, a California farmer, developed and improved the plant, and first marketed it in 1906.

INSPIRED BY MAGI

Mistletoe, Prescribed Now for Kissing, Once Was Thought to Cure Illness

An ancient custom, which "prescribed" mistletoe for the prevention and cure of a wide variety of illnesses — epilepsy, for instance — has given way to the happier idea that mistletoe is the right prescription to assure opportunities for exchanging kisses during the holiday season.

Naturally, this makes mistletoe an object of interest — as it has been for centuries.

Druid priests in early Britain cut mistletoe at the winter solstice and gave sprigs of it to the people. The sprigs were hung above doorways of homes and stables. The Druids taught, and the people believed, that this vine had great power to ward off evil and protect against illnesses.

Despite the early interest in mistletoe for its supposed medicinal qualities, its use as a "prescription for kissing" had a place in the ancient world, too.

Romans and other early peoples considered mistletoe as an emblem of peace. Meeting under it, enemies kissed each other and made a truce until the next day.

Scandinavian myths tell the story of the death of Balder, the sun god, who was, so mythology says, killed by an arrow of mistletoe wood. His mother the goddess Freya, had asked all living things to pledge not to harm her son, but she neglected to ask the lowly mistletoe.

Balder's enemy, the lame god Loki, took advantage of this to make the arrow, which he persuaded Hoder, the blind god of winter, to shoot. Balder died, but through the efforts of all the other gods, he came back to life after three days, and the sun's light shone at the winter solstice.

Freya cried for joy, and her tears became mistletoe berries. She kissed everyone who passed under the mistletoe, and ordained that this same sign of affection should always be exchanged when people met beneath the mistletoe.

CANYON BUSINESS REVIEW and BUYER'S GUIDE

This week the Canyon News visits one of our city's most newly created firms.

White and Upfold Plumbing and Heating was born just 4 short months ago, however they have gotten their business to rolling in just this short time. Canyon Junior High Pupils Taught Art In Reach Of All

"I'd sure like to take ART, but I can't draw a straight line . . . ."

This trite phrase is still repeated many times each school year by hesitant seventh graders who approach their first experience in an art class with some apprehension. The old fashioned idea that Art is just for the talented few still undermines the natural and universal need for Art.

Small children do not worry about whether or not they can "draw a straight line." They simply grab their crayons or their paints and use them as naturally as they run or play. This is the main reason their creations are so charming, so expressive, and so spontaneous.

The Canyon Public Schools do not offer Art as a separate course until the seventh grade. The busy elementary home room teachers try to work it into their self-contained classrooms, but they are often hampered by lack of materials, time and specialized training in Art.

Thus it is by the time a child reaches seventh grade, he is usually self-conscious about his inability to "draw a straight line." He has developed many skills by this age, so his lack of training in art makes him hesitant to try it for fear he will fail.

For this reason, the seventh and eighth grade classes in Art in Canyon offer a wide variety of skills and media. Drawing and painting is the backbone of the Art curriculum, but crafts and school service projects balance the course of study so all the students have a chance to find a means of expression that is right for them.

For example: the seventh grade sections in Art this fall semester have studied leather carving, ceramics, lettering and poster design, basic color facts, print making, and paper sculpture as well as figure drawing and perspective drawing.

The media they have learned to work with are leather, clay, printing ink, tempera paint, water colors, drawing pencils, "scrap" materials, and pen and ink. They have been taught enough mechanical facts to give them the courage to try to draw, and they have also been encouraged to paint and create freely in more abstract forms. They have sketched outdoors.

They have drawn from life. They have painted imaginary people. They have painted abstract designs to music. They created their own designs for their leather carving and their prints. They made banquet decorations for two civic affairs. They are now experimenting in clay. Almost invariably the students are surprised and pleased to learn that they can succeed in and enjoy an Art class. Almost invariably they want more.

The Eighth grade class is trained in many of the same fields and media as the seventh grade, but on a more advanced level. Their projects are often longer and more detailed.

Students in the eighth grade are introduced to pastels and charcoal, copper tooling and combinations of media. Their leather work is more complicated and their clay pieces are more advanced. Often eighth graders begin to develop a real style of their own in their paintings and crafts as they find their best means of expression.

Both grades are encouraged to be original and to experiment. No one is allowed to copy any design or picture.

Altogether there are ten sections of junior high students--five in each grade. None of these sections will get a full year of Art. Four of the five seventh grade sections will receive one semester.

Two of the five eighth grade sections will receive Art instruction. The simple reason four sections will not receive any training is due to the fact that only one art teacher is employed for the entire Canyon Public School system. Each year more junior high students elect to take art than actually get to study.

* * *

PUTTING THE finishing touches on their hand printed Christmas cards are Wayne Mebane, Diana Podzemny, Deborah Hill and Steven Downing, all seventh grade art students. Their designs were cut out of rubber inner tubes and glued to wooden blocks.

JIM BEESON and Lois Jean Alderete have created still life paintings in an emperimental eight grade painting project. Jim is painting a picture with melted crayola and Lois Jean paints with a combination of water color and ink.

Mystery of Magi Leads to Legends; Only St. Matthew Reports Visit

Familiar to all is the visit of the Magi to Bethlehem — and yet little is known about it. In the books of the New Testament, only St. Matthew reports the visit.

St. Matthew called them "wise men from the East." In the legends that have developed, they are sometimes called "Magi," because this word, meaning "august," was the name given the priests of the ancient Medes and Persians.

Tradition says they had heard that a bright new star would announce the coming of a Saviour to the world. After years of watching, they saw the star and set out from Babylon to find Him.

In Bethlehem, they gave the Christ Child gold in a shrine-shaped casket, a sign that they accepted Him as their King; frankincense, a symbol of His deity; and myrrh in a golden horn, a prophecy of His death.

Charles Bizzell has been a guest in the home of his brother Eugene Bizzell, and with his son, Chuck, who is attending school in Canyon. He is en route from his home in California to Kansas City, Missouri, where he will spend Christmas visiting with relatives.

Miss Helen Guthrie has arrived in Canyon to spend her vacation visiting in the home of her parents, Mr. and Mrs. John Guthrie, Jr., and Ann. Helen is in Nurses Training at Hermann Hospital in Houston.

Greet Advent with Traditional Decor Notes

The season of Advent, which directly precedes Christmas and serves for many Christians as a time of preparation for the coming of the Christ Child, this year begins on December 3rd. In many Christian homes it is often marked by lovely old customs.

The Advent wreath is one such tradition that is observed while awaiting Christmas. Although it is believed to have originated with the pagan fire wheel, it eventually came to represent the thousands of years the earth awaited the coming of Christ. It bears four candles, each of which is lighted on the four Sundays before Christmas.

Any kind of Christmas wreath may be used to make the Advent wreath and there are many ways to display it. It may be set on a kitchen or dining room table, or suspended by four purple ribbons from a light fixture in the ceiling.

Another delightful Advent custom is the "stir-up" or traditional English plum pudding, which is brought to the dinner table for family and guests to stir. Each guest makes a wish as he stirs. The pudding is then steamed and put away until Christmas arrives. Warmed brandy or rum is added and set ablaze.

St. Francis Introduced First Christmas Creche

Christmas today would seem incomplete without representations of the stable at Bethlehem, with the Babe in His crib, and figures of Mary, Joseph and the shepherds. Yet the first crib or "creche" did not come into existence until 1223.

It was in that year that St. Francis of Assisi found himself faced with a problem as the holy season approached. In the little town of Greccio, he had been laboring to revive a dead faith in the hearts of its people. So far, he had had no success, and now he cast about for a way to make these people understand the beauty and meaning of Christmas.

He decided to set up the Bethlehem stable scene itself, right in the village church. After receiving permission for this unusual undertaking, he and his followers set to work.

They borrowed animals, hay and wood from helpful parishioners, and invited all the peasants of Greccio to attend church that Christmas Eve.

As the villagers arrived, they were rewarded with a wonderful sight. There, before their eyes, was the story of Christmas.

To the illiterate peasants of Greccio, that simple scene conveyed the message of Christmas far more clearly than all the sermons in the world. This "praesepe", as it is called in Italy, became an annual custom and then quickly spread throughout the rest of the Christian world.

* * *

The season that we now know as Christmas was originally a time of pagan rituals. In ancient times, December 25th was the day of the Sun Festival and the twelve days following were devoted to the expulsion of all evil.

During this time, torches were lighted, bells jangled and kettles clattered in a great hue and cry that rose to ear-splitting proportions in order to drive out all wandering witches, ghosts and demons.

O Come, All Ye Faithful
LATIN HYMN TR BY CANON FREDERICK OAKELEY 1802-1880
J. F. WADE 1711-1786
O come, all ye faith-ful, Joy-ful and tri-um-phant, O
come ye, O come ye to Beth-le-hem,
Come and be-hold Him, Born the King of an-gels; O
come, let us a-dore Him, O come, let us a-dore Him, O
come, let us a-dore Him, Christ the Lord

"ADESTE FIDELIS," one of the earliest Christmas hymns, is now one of the most popular — said to be sung, around the world, more often than any other. It is sung to the tune of "Cantus Diversi," published in 1751, and it probably existed much earlier. It has been translated into 120 languages, from the original Latin. Of the 40-some English versions, the best known is this one by Frederick Oakley.

Pioneer Druggist Honored By State Pharmacy Board

Pioneer druggist J. J. Walker has been awarded a Citation of Achievement after 50 years as a pharmacist.

Walker received the citation last week. It was issued by the State Board of Pharmacy and signed by all members of the board. Walker has been a registered pharmacist for 50 years. He worked in a drug store some 12 years before he became a registered pharmacist.

He began working in a drug store in Rising Star when he was "just a kid."

He became a registered pharmacist in 1912 and moved to Memphis where he owned a third interest in the Fickas-Walker Drug. He moved to Canyon in 1921 and opened J. J. Walker Perscription Laboratory.

Walker is a native of Stephens County. His parents were farmers. He attended the Baylor Pharmacy Medical and Pharmacy School in Dallas to become a pharmacist.

In his time, Walker has seen some great strides in drugs. "People sometimes complain about prices now," Walker declared, "but drugs save lots of lives now---drugs that we didn't have a few years ago."

Walker said it would be hard to name the greatest drug discovered in recent years but from his talk he may be partial to drugs for treatment of pneumonia.

"The serum cures pneumonia now," he pointed out. "People used to stay in bed for weeks. Many of them died. There was no specific treatment. People with pneumonia just stayed in bed and were nursed through. The medicines given did very little good. It didn't save the patient."

Walker recalled a patient to which serum was administed in recent years. The man's drug bill was $67.

"It's the cheapest medicine I ever bought," Walker quoted the patient as having said. The man was up and around in a week. "I've had pneumonia four times," he quoted the man, "and I used to stay in bed a month or more."

Walker reminisced that people bitten by the ever-present rattlesnake in this area often used to die. "They all get well now," he declared, "and walk out of the hospital in three or four days."

He told of one University of Oklahoma football player bitten in recent years while on an outing at Palo Duro State Park.

He was bitten on Saturday and left the hospital on a Monday.

Walker sold his business to J.D. Byrd last year and retired. The firm now is operated under the name of Byrd Pharmacy.

Parties Are Fun, Can Be Impromptu

Parties on Christmas Day are not only fun, they're almost inevitable! The family gets together, neighbors drop in, other friends arrive to deliver gifts and greetings and, suddenly, it's a party.

For groups large or small, parties planned or impromptu, the editors of The Book of Knowledge suggests these entertaining ideas:

EXCHANGING GIFTS. Attach each gift card to a long string, then fasten the string to the gift package. Make a gifts chimney from cardboard covered with Christmas wrapping paper, or cover a round container such as a wastebasket.

Finding the Gifts

Place the gifts in the fireplace and have guests or members of the family find their gifts by following the name cards and strings, through the other entangling strings, to the gift packages.

CAROLS. Singing carols to piano, radio or record accompaniment is a favorite Christmas Day pastime. For larger groups, a variation on this is to have a "carol mixer."

Using several carols, give everyone the name of a Christmas carol. Each person walks around the room humming the assigned carol, and listening for others humming the same tune. Those with the same melody band together in a group.

Then each group sings its selection for the others — and as a finale, all groups sing their separate carols at the same time.

ARTISTS' MARCH. Have each person pin a card or sheet of blank paper on the person in front of him. The leader starts a single-file march around the room, to Christmas music.

Drawing Reindeers

While marching, each person struggles to draw a reindeer, or other appropriate Christmas subject, on the card pinned to the player in front of him. To add to the difficulty and the fun, the leader can take the file around in circles or weave in and out of the line.

After the march is over, the results are exhibited and, if an extra gift is handy, a prize can be awarded to the person judged to have drawn something that best resembles a reindeer.

Soviets Retreat And Santa Wins

After unsuccessful efforts to keep Christmas from being celebrated as a Christian holiday, the Communist regimes of Russia and the countries of Eastern Europe have recently shown a more tolerant attitude toward traditional observances. Father Christmas, the Russian Santa, is back again, having refused to become Father Winter, the name Communists tried to give him.

Another gifts bringer in Russia is a legendary old woman called Babuska (grandmother). Legend says she misdirected the Magi when they asked the way to Bethlehem. She repented, and to atone she went about the world on Christmas Eve, looking for the Christ Child and distributing gifts to children.

Church, Home Devotions Show Holy Meaning of the Holiday

More than a holiday, Christmas is a holy day. In church services and private devotions, Christians commemorate a night of awe and wonder nearly 2,000 years ago, when a Star shone above a Child born in a manger, when angels sang and shepherds watched.

December 25 — as even the youngest children know — is the date. And yet, in the first centuries of the Christian church, there was no celebration of the birth of Christ, no Christmas.

There were festivals in the Decembers of those times, but they were pagan festivals.

Celebrate the Sun

December 25 was the date of the Mithraic rites of the birth of the sun — Mithras, the Persian god of light. Teutonic tribes in Northern Europe celebrated the rebirth of the sun at the winter solstice with a Yuletide season of feasting and rejoicing, while the Roman's winter festival, the Saturnalia, was held at about the time that is now the Christmas season.

How then did December 25 come to be, not a day of pagan festivals, but a day dedicated to Christian devotions?

Some scholars believe that the Christian church may have set December 25 as Christ's birth date in order that the traditions of winter festivals might be hallowed by association with the Nativity. When the date was established in the fourth century A. D., other dates that were considered included January 1, March 21, March 29, April 9 and September 29.

Gain New Meaning

Christmas began to be generally celebrated on December 25 in the fifth century A. D. People continued the familiar merry-making customs of the winter festivals, but they linked them to Christmas instead of to pagan revelry.

Where formerly pagan peoples had looked to mythological gods of the sun as source of the rebirth of light, now they gradually changed to religious observances of the Saviour's birth, with its symbols of faith, hope and life eternal.

From the winter festivals come many of the traditions that are now part of Christmas. The Roman Saturnalia provided a model for Christmas feasting, the giving of gifts and the burning of candles.

Christmas lighting also derives from winter solstice rites, where lights played an important part. The Teutonic Yule feast contributed the customs of the Yule log and wassail bowl.

When winter festivals merged with Christmas, customs such as gift-giving gained a new and deeper meaning.

"Gifts" for Him

Christians felt that they should celebrate Christ's birthday with "gifts" for Him — commemorating Christmas with a renewal of resolve to perfect the virtues of generosity, compassion, peace, gratitude and reverence. Giving to the less fortunate became important.

As Christmas became a holy day, many peoples began exchanging presents on other days — St. Nicholas' feast day, December 6, or Epiphany, January 6, for instance. In some countries these customs still continue, with Christmas reserved solely for worship.

Old Customs Live

Christmas in the United States reflects a heritage of customs from many lands and times. Trees, candles, bells, carols and other well-loved traditions came, like the people of the U. S., from other countries. In many communities, people still celebrate Christmas as their ancestors did.

The U. S. has made its contributions to Christmas customs around the world, too. Santa Claus, bearded and red-suited, was first personified in "The Night Before Christmas" by Dr. Clement Moore. Street decorations, Santas in stores, and special store displays of gifts are U. S. ideas that have been adopted on a global scale.
